The Naturals range has been created in response to a growing concern for the planet. The natural fibre yarns in this range are more sustainable, natural, and bio-degradable.

We are happy to introduce Organic Cotton to the Stylecraft Naturals range. Made from 100% organic cotton this yarn is available in a range of 38 sumptuous shades, ranging from pastels to intense brights and darks. A perfect multi-seasonal yarn with great softness, handle and drape. Suitable for sensitive skins and good for the planet too.

Introducing the new Naturals range from Stylecraft. Using natural fibres, Stylecraft Naturals have been created to offer knitters and crocheters yarns that have a hint of luxury and are kind to sensitive skins.

The first yarn in the collection is Bamboo + Cotton, blended to give fantastic drape and handle, and available in an extensive palette of 43 sophisticated shades.
