

Crochet Along*

Hello and welcome to the Frida's Flowers Crochet along, designed by Jane Crowfoot. This is the shade list for all the shades and quantities required to complete the project.

While the patterns are written using Classique Cotton DK, we have supplied a list of alternative shades and quantities in Special DK and Life DK.

As you will see, there two colour options noted in the Special and Life ranges.

Special DK - There are two colour options for the alternative to plum. Please choose either plum of fuchsia purple.

Life DK - There are two colour options for the alternative to poppy. Please choose either crimson or fuchsia.
