## Bird of Paradise

Frida's Flowers Blanket - Block 3

## Block 3 – Bird of Paradise

When I design a project made up of lots of different motifs and pieces I tend to design from the middle out. In the case of Frida's Flower Blanket I designed Ring of Roses (which has now become Block 6) first, followed by the central motif so that I had an idea of the formation of the focal point of the blanket and could then design the pieces to slot in around them. I suppose in effect I worked in the reverse way to you, starting with the more complicated pieces first, then designing the simpler motifs.

In 1943 Frida Kahlo painted a picture called 'Self Portrait with monkeys, bird of paradise flower'. It is a painting that I really love, partly because the monkeys look like they are protecting Frida and are a little worried about her, but also because of the beautiful Strelitzia flower (bird of paradise) and leaves that Frida has painted in behind her.

This block is a little harder to make than the blocks you have already made. You need to make 4 so it is my suggestion that you work in stages, completing the 4 pieces in unison to each of your chosen stages, even if this means doing just a round at a time on each one.

The next block will be available 17 May.

### NOTES:

#### Fastening Off and rejoining Yarn

You will achieve a much neater color change if you complete rounds and fasten off the yarn, rather than joining mid stitch. When fastening off a yarn at the end of a round, the slip stitch that you have made to join can look like a stitch when you are working the following round. Make sure you count correctly and do not count the slip stitch as a stitch when working subsequent rounds.

#### Dealing with yarn ends

I tend to sew yarn ends in as I go along—doing this makes the finishing process much easier as you will have less to do. Sewing yarn ends in as you go along also means that you are less likely to lose stitches or make errors with your tension.

#### Joining your pieces

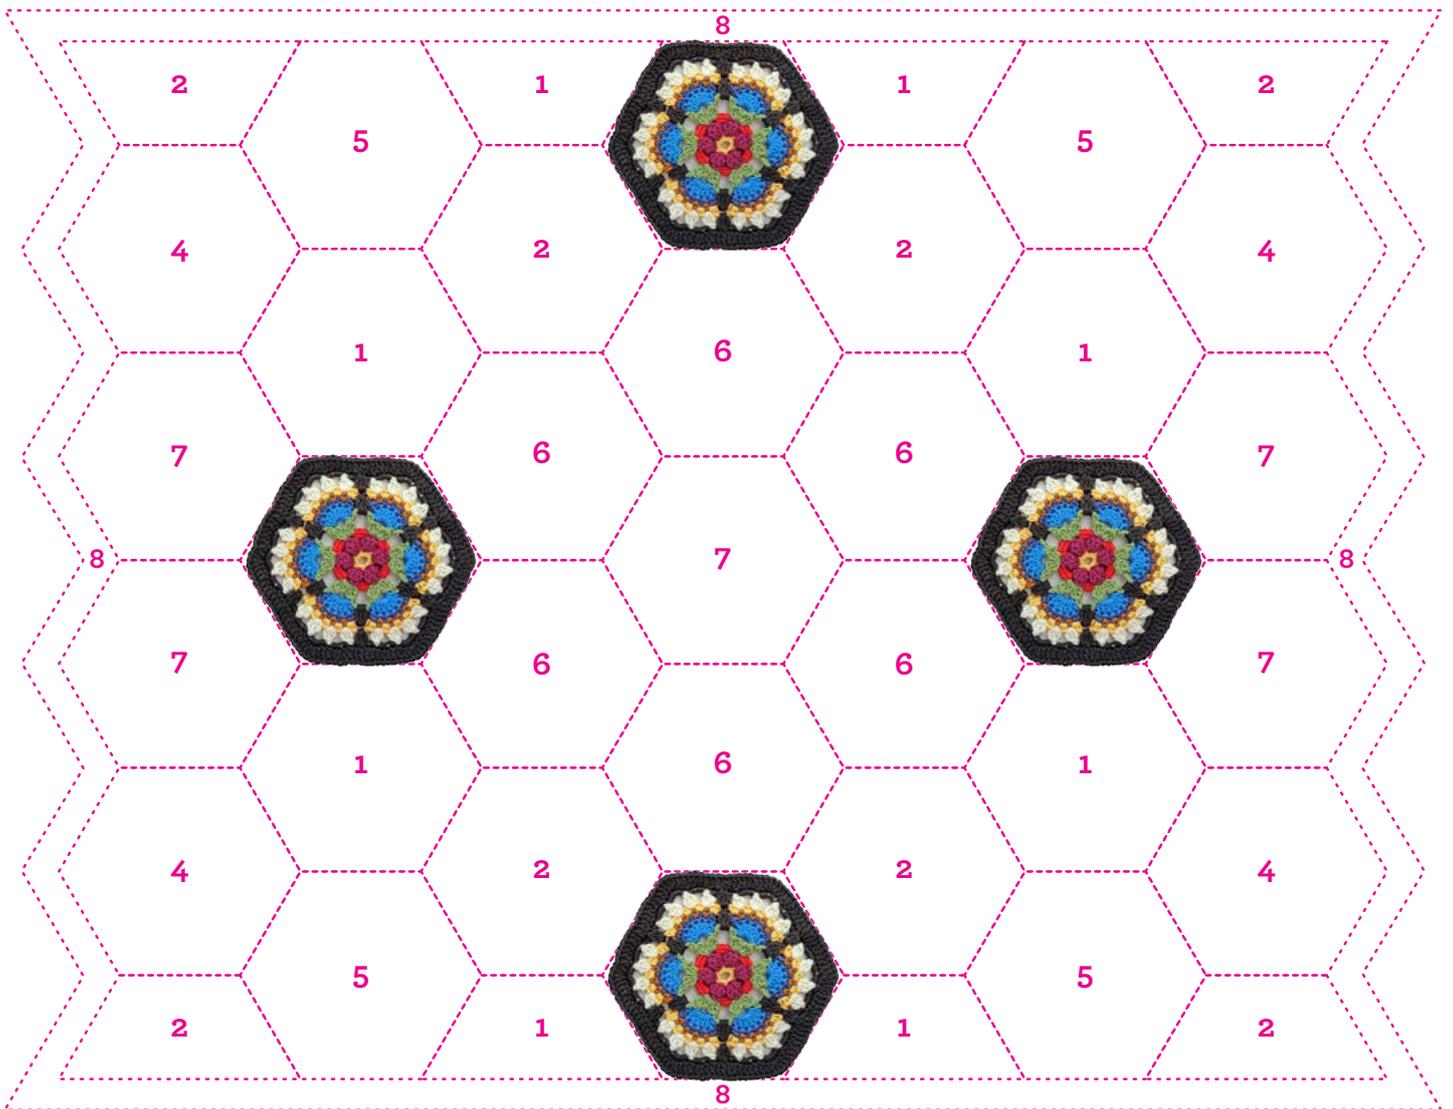

You will join them together using single crochet and a size G/6 (4mm) hook. To save yarn, you could use slip stitch instead, but will need to use a larger hook (size 7 / 4.5mm). When joining, corner sts on the motifs need to be used more than once.

#### Pattern Note

MP: Make Popcorn  
Make 5dc, remove hook from last loop.  
Making sure that the stitch does not unravel, insert hook into top of 1st double crochet of 5dc group from the front.  
Place the yarn loop from the top of the 5th double crochet back onto the hook so that there are 2 “sts” on the hook.  
Wrap yarn round hook and draw through to form a popcorn.

**Foundation Round:** Ch1 (does not count as a st), 12sc into ring, ss to join, fasten off (12sts)

**Round 1:** Using Plum, join yarn into any st by working ch1 + ch2 (counts as 1st dc of popcorn), MP into same st, ch3, skip next st, \* MP into next st, ch3, skip next st; repeat from \* to end, ss to join, fasten off (6 popcorns made)

**Round 2:** Using Poppy join yarn into any ch-3 sp by working ch1 (does not count as a st), 5sc into same ch sp, ch1, \* 5sc into next ch sp, ch1; repeat from \* to end, ss to join, fasten off (30sts & 6ch sps)

## Joining your pieces

You can join one side of this motif as you make it, if you want to do this, do not fasten off at the end of the last round

Using size G/6 (4mm) hook & using the layout diagram as your reference, ch1, holding the correct block in front, with RS facing inwards, 1sc into central sc of 3sc group made at corner of block & the corresponding st on the other block so that your hook is through 2 sts, 1sc into the sts, work 1sc into all corresponding pairs of sts on both pieces all the way along to the central scs at next corners, working the final sc into the central sts, at corner, fasten off

Repeat for all 4 motifs

## To join the other side of the motif

Using Black or Plum size G/6 (4mm) hook & using the layout diagram as your reference, & holding the correct block in front, with RS facing inwards, join yarn into pair of corresponding corner sts on both blocks by working ch1, work 1sc into all corresponding pairs of sts on both pieces all the way along to the central scs at next corners, working the final sc into the central sts, at corner, fasten off
