Sunstar Blanket

My Sun and Stars

Designed by Jo Smith

Crochet Along*

Stylecraft are thrilled to bring you this new CAL by designer Jo Smith. Read on to see what inspired Jo's design.

"The central piece on this blanket design was because I was enjoying experimenting with tapestry crochet and I wanted to make a sunburst pattern.

My Sun and Stars was quite literal; it started with a sun in the sky – the triangles were added as an experiment and I liked them so then it just needed to be softened by adding circles which looked to me like planets. Therefore it became a sun in the middle with planets around. My imagination saw the sun in the night sky."

Published in **7 instalments** over 3 months starting on the 3rd September 2019, all the patterns will be available to **download free** from our website: www.stylecraft-yarns.co.uk and you can share your progress with us on Facebook. The Sunstar CAL is available in three colourways – My Sun and Stars, My Vintage and My Country Garden.
