Stylecraft are thrilled to bring you this new CAL by designer Jo Smith. The colour recipe for My Country Garden has been chosen by Blogstar The Patchwork Heart. Read on to see what inspired Heather's palette.

"It has long been my dream to live in a cottage, growing flowers to fill jugs for my home. Picking shades for a colour recipe which evoked this dream, gave me weeks of pleasure, as I hooked these pretty shades together. It is my hope that you too will have a wonderful adventure as you work with the Country Garden colour recipe."

Published in **7 instalments** over 3 months starting on the 3rd September 2019, all the patterns will be available to **download free** from our website: www.stylecraft-yarns.co.uk and you can share your progress with us on Facebook. The Sunstar CAL is available in three colourways - My Vintage, My Sun and Stars and My Country Garden.
