Stylecraft are thrilled to bring you this new CAL by designer Jo Smith. Read on to see what inspired Jo's design.

"In the second colourway 'My Vintage' the colours are no longer literal and remind me of a vintage tile or carpet with washed colours reminiscent of faded rugs of Eastern origin. Not being my usual colour palette, it was both intriguing and exciting to challenge myself and extend my usual colour range and I love it! The more I used these colours the more I loved their richness and depth and subtlety."

Published in **7 instalments** over 3 months starting on the 3rd September 2019, all the patterns will be available to **download free** from our website: www.stylecraft-yarns.co.uk and you can share your progress with us on Facebook. The Sunstar CAL is available in three colourways - My Country Garden, My Vintage and My Sun and Stars.
