Cablemagoria *Knit Along*

by Stuart Hillard

Welcome to Part 3 of the Stylecraft Cablemagoria Blanket Knit Along designed for us by Stuart Hillard. Available in five colourways, the blanket can be made in Special Aran, Highland Heathers Aran and Grace.

Over the forthcoming weeks we will be bringing you a new panel every fortnight (2 weeks). The next dates for your diary are:

22nd November & 6th December.

Part 3 will focus on a Double Staghorn with Simple Four Stitch Cables. You will need to make 1 panel using stitches C4B and C4F. Don't worry if you are not familiar with these techniques, they will be explained in the step-by-step pictures again.

We have set out at the beginning of Part 3 which colour yarn and equipment you will need. We always repeat abbreviations at the beginning of each pattern. The step by step images within the pattern have been shown in Ocean, using Special Aran. The completed panels in the other four colourways are shown at the end of the pattern.

For general hints and tips please see the Getting Ready document which can be found here:

Double Staghorn with simple 4 Stitch Cables to the right and left

You can work simple cables in your sleep now right? So now it's time to add a second pattern into the mix... the staghorn cable is a variation on a simple cable and the stitches are well behaved and stay in the same places throughout. There's a little more to think about here but work methodically for the first few pattern repeats and you'll soon have it in the bag!
