Meadow designed by Stuart Hillard

The Meadow Blanket is made using Special Aran. It has a neutral colour story that has been inspired by nature. When working on this blanket Stuart wanted to create a space for growth and zen with calming, restful and soft tones.

Published in five 2 weekly installments starting on Tuesday 11th October, all the patterns will be available to **download FREE** from www.stylecraft-yarns.co.uk. Why not join our KAL group on facebook for help and support?
