TENSION - Blanket 18 sts and 9 rows (approx.) to 10 cm, 4 in, measured over ripple patt using 4mm hook or the size required to give the correct tension.

Cushion - 12 sts and 8 rows (approx.) to 10 cm, 4 in, measured over rows of tr using 5mm hook and two strands of yarn or the size required to give the correct tension.

It is essential to work to the stated tension to ensure the correct size of item and you should always crochet a tension square.

If there are less sts and rows to 10cm, 4in, change to finer hook if there are more sts and rows to 10cm, 4in, change to larger hook.
