1 pair 10 mm (UK 000 – USA 15) knitting needles

Large sewing needle

METHOD

Tension: 9 stitches and 15 rows to 10 cm, 4 in, over pattern on 10 mm needles or the size required to give the correct tension

For general guidance on tension, please see the [Achieving the correct tension FAQ](#) in the information section of our website.

Using 10 mm needles and thumb method cast on 45[47:51:55] stitches.

1st row. * Knit 1 stitch, purl 1 stitch, repeat from * to last stitch, knit 1 stitch.

This row forms pattern.

Continue in pattern until the Snood measures 28[30:32:35] cm, 11[11¾:12½:13¾] in, ending with a wrong side row.

Cast off all the stitches in pattern.

TO MAKE UP

Using a large sewing needle, join the row-end edges to form a tube shape – this seam forms the back seam of the Snood. Pin out the Snood to the measurements given. Cover with clean, damp tea towels and leave to dry. See the ball band for washing and further care instructions.
