SPECIAL ABBREVIATIONS

The yarn amounts stated are based on average requirements and are therefore approximate.

Tension: 35 sts and 44 rounds to 10cm over st st using 2.25mm needles.

It is essential to work to the stated tension to ensure the correct size of garment and you should always knit a tension square.

If there are less sts and rows to 10cm, 4in, change to finer needles if there are more sts and rows to 10cm, 4in, change to larger needles.

Instructions are given for the first, smallest size. Larger sizes are given in square brackets. Where only one figure is given, this applies to all sizes. Where the figure 0 appears, no stitches, times, or rows are worked for this size.

After casting off, one stitch will remain on the right hand needle which is not included in the instructions that follow.

Although every effort has been made to ensure that instructions are correct, Stylecraft cannot accept any liabilities.

Stylecraft cannot accept responsibility for the result of using any other yarn.

LONG SOCKS

Note:

Socks can be worked on double-pointed needles or on a circular needle using the magic loop method as you prefer.

If you are working with dpns, rearrange the number of sts on each needle by one of two every few rows to avoid developing ladders of looser sts.

Rib top of socks can be worn flat or folded down.
