Rosa

Frida's Flowers Blanket - Block 4

Block 4 – Rosa

One of Frida's very first paintings is entitled 'Still Life Roses' and she painted it in 1925. Frida often wore roses in her hair or tucked one behind her ear, so I wanted to have a few rose themes coming through the design of the blanket. This piece is a combination of a small flower (which uses the popcorn stitches used in Block 2 again) and the construction of the Bird of Paradise blocks that you made last time.

I really love some of the colour combinations in this piece. I like the toffee shade alongside the bright Greek Blue and love the way the shades sit on the dark background. Colour combinations are always such a surprise to me (even though it means I rip work back ALL the time).

I love seeing how different shades react with each other. Bright blue and green shades along with the pinks and reds of traditional flower patterns on black backgrounds are a very common design theme in Mexican textiles and there are numerous images of Frida wearing dresses which included traditional embroidery.

The next block will be available 31 May.

NOTES:

Fastening Off and rejoining Yarn

You will achieve a much neater colour change if you complete rounds and fasten off the yarn, rather than joining mid stitch. When fastening off a yarn at the end of a round, the slip stitch that you have made to join can look like a stitch when you are working the following round. Make sure you count correctly and do not count the slip stitch as a stitch when working subsequent rounds.

Dealing with yarn ends

I tend to sew yarn ends in as I go along – doing this makes the finishing process much easier as you will have less to do. Sewing yarn ends in as you go along also means that you are less likely to loose stitches or make errors with your tension.

Joining your pieces

You will join them together using double crochet and a 4mm hook. To save yarn, you could use slip stitch instead, but will need to use a larger hook (4.5mm).

When joining, corner sts on the motifs need to be used more than once.

Pattern Note

MP: Make Popcorn

Make 5tr, remove hook from last loop.

Making sure that the stitch does not unravel, insert hook into top of 1st treble of 5tr group from the front.

Place the yarn loop from the top of the 5th treble back onto the hook so that there are 2 'sts' on the hook.

Wrap yarn round hook and draw through to form a popcorn.

Round 1: Using Plum, join yarn into any st by working 1ch + 2ch (counts as 1st tr of popcorn), MP into same st, 3ch, skip next st, * MP into next st, 3ch, skip next st; repeat from * to end, ss to join, fasten off (6 popcorns made)

Round 2: Using Poppy join yarn into any 3ch sp by working 1ch (does not count as a st), 5dc into same ch sp, 5dc into each ch sp to end, ss to join, (30sts)

Joining your pieces

You can join one side of this motif as you make it, if you want to do this, do not fasten off at the end of the last round

Using **4mm** hook & using the layout diagram as your reference, 1ch, holding the correct block in front, with RS facing inwards, 1dc into central dc of 3dc group made at corner of block & the corresponding st on the other block so that your hook is through 2 sts, 1dc into the sts, work 1dc into all corresponding pairs of sts on both pieces all the way along to the central dcs at next corners, working the final dc into the central sts, at corner, fasten off

Repeat for all 4 motifs

To join the other side of the motif

Using Black & **4mm** hook & using the layout diagram as your reference, & holding the correct block in front, with RS facing inwards, join yarn into pair of corresponding corner sts on both blocks by working 1ch, work 1dc into all corresponding pairs of sts on both pieces all the way along to the central dcs at next corners, working the final dc into the central sts, at corner, fasten off
