TENSION

Scarf: 16 sts and 24 rows to 10cm, 4in, over patt on 6mm needles or the size required to give the correct tension.

It is essential to work to the stated tension to ensure the correct size of garment and you should always knit a tension square.

If there are less sts and rows to 10cm, 4in, change to finer needles if there are more sts and rows to 10cm, 4in, change to larger needles.

Instructions are given for the first, smallest size. Larger sizes are given in square brackets. Where only one figure is given, this applies to all sizes. Where the figure 0 appears, no stitches, times, or rows are worked for this size.

Although every effort has been made to ensure that instructions are correct, Stylecraft cannot accept any liabilities.

Stylecraft cannot accept responsibility for the result of using any other yarn.

TO MAKE UP

Sew in all yarn ends neatly. Make 6 tassels for each end of the scarf as follows: Cut a piece of cardboard 12cm, 4¾in, wide and wrap yarn around card several times to make a thick tassel. Cut the strands along one edge. Fold strands in half and using a crochet hook, pull the fold through the edge of the scarf. Pull ends of strands through the folded loop and pull tight to secure. Pin out scarf to the measurement given. Cover with clean, damp tea towels and leave until dry. See ball band for washing and further care instructions.
