INSTRUCTIONS

For a visual tutorial on how to create the Argyll effect,
please click on our YouTube link

<https://youtu.be/SuL4ntaSq0Y>

Yarn has 4 colour sections: light red, dark red, purple and
pink.

Using 4mm crochet hook and pulling yarn from inside of
ball, make chain starting at beg of red colour and end at beg
of next red section (one st before last st should be pink, last
st should be red).

Row 1: Dc in 4th ch from hook, *ch 1, skip 1 ch, dc in next ch,
rep from * 17 times (row should be finished with pink
colour approx in the middle of pink section). Don't work
rest of chain and turn.

Row 2: Ch 2, dc in next ch-1 sp, *ch 1, dc in next ch-1 sp,
rep from * to end, finishing with dc in ch-3 sp at start of
Row 1, turn.

Row 3: Ch 2, dc in next ch-1 sp, *ch 1, dc in next ch-1 sp,

rep from * to end, finishing with dc in ch-2 sp at start of
previous row, turn.

Row 3 forms Moss St.

Rep row 3, adjusting your tension to maintain colour
pooling, until work measures 160cm. Fasten off.

MAKE UP

Sew RS of cast-on edge to the WS of cast-off edge, creating
a twisted loop. Alternatively you can use your crochet hook
to slip stitch the cowl together. Weave in the remaining beg
ch.

Owing to photography and printing restrictions the colour reproduction is
matched as closely as possible to the yarn.

Although every effort has been made to ensure that instructions are
correct, Stylecraft cannot accept any liabilities.
