**TENSION** 22 sts and 30 rows to 10 cm, 4 in, over stocking stitch on 4 mm needles or the size required to give the correct tension.

**It is essential to work to the stated tension to ensure the correct size of garment and you should always knit a tension square.**

If there are fewer sts and rows to 10 cm, 4 in, change to finer needles; if there are more sts and rows to 10 cm, 4 in, change to larger needles.

Instructions are given for the first, smallest size. Larger sizes are given in square brackets. Where only one figure is given, this applies to all sizes. Where the figure 0 appears, no stitches, times, or rows are worked for this size.
