Tiny Lily

Lily Pond Blanket - Block 2

Crochet Along*

Block 2 – Tiny Lily

Welcome to block two of the Stylecraft Lily Pond Blanket Crochet Along designed by Jane Crowfoot. Our second block is the Tiny Lily. You will need to make four of these.

This is the first flower motif of the blanket. It started life as a simple flower but reminded Jane so much of a pond lily from one of Monet's Lily pond paintings that it inspired her to create the lily pond blanket. It represents the smallest of the lily collection and the delicate nature of the design is truly reflective of a tiny blossoming flower.

For general hints and tips please see our Crochet Along Introduction pdf which can be found here <http://www.stylecraft-yarns.co.uk/Crochet.htm>

The next block will be available 5 May

Please note, if you've missed the Making up Instructions for Pattern 1 these are now available on our website http://www.stylecraft-yarns.co.uk/pdf/MakingUp_Instr_Block1_ENGa.pdf

NOTES:

Fastening Off and rejoining Yarn

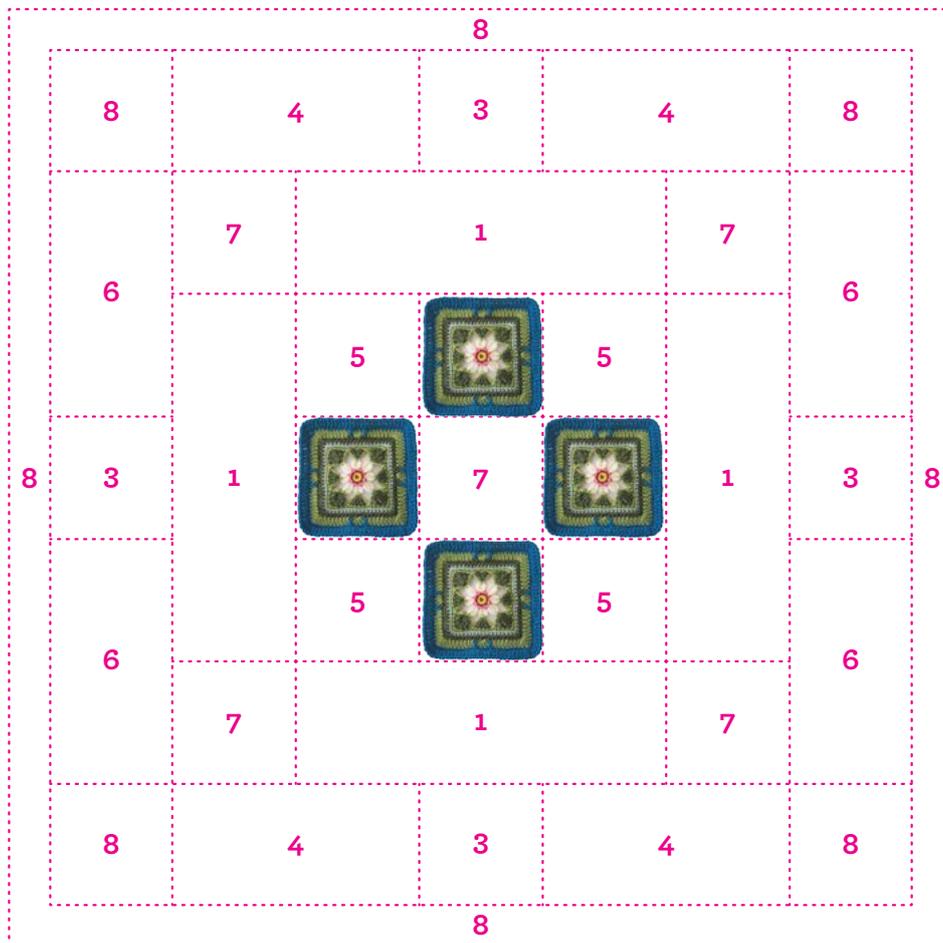

You will achieve a much neater color change if you complete rounds and fasten off the yarn, rather than joining mid stitch. When fastening off a yarn at the end of a round, the slip stitch that you have made to join can look like a stitch when you are working the following round. Make sure you count correctly and do not count the slip stitch as a stitch when working subsequent rounds.

Dealing with yarn ends

I tend to sew yarn ends in as I go along – doing this makes the finishing process much easier as you will have less to do. Sewing yarn ends in as you go along also means that you are less likely to loose stitches or make errors with your gauge.
