SPECIAL ABBREVIATIONS

C4F – slip next 2 sts onto a cable needle and hold at front of work, knit next 2 sts from left hand needle, then knit the sts from cable needle.

C4B - slip next 2 sts onto a cable needle and hold at back of work, knit next 2 sts from left hand needle, then knit the sts from cable needle.

m1 – make one stitch by inserting left hand needle from front to back under the horizontal strand between 2 sts and knit through back of the loop.

The yarn amounts stated are based on average requirements and are therefore approximate.

TENSION Refer to each pattern for the correct tension.

It is essential to work to the stated tension to ensure the correct size of garment and you should always knit a tension square.

If there are less sts and rows to 10cm, 4in, change to finer needles if there are more sts and rows to 10cm, 4in, change to larger needles.

Instructions are given for the first, smallest size. Larger sizes are given in square brackets. Where only one figure is given, this applies to all sizes. Where the figure 0 appears, no stitches, times, or rows are worked for this size.

After casting off, one stitch will remain on the right hand needle which is not included in the instructions that follow.

Although every effort has been made to ensure that instructions are correct, Stylecraft cannot accept any liabilities.

Stylecraft cannot accept responsibility for the result of using any other yarn.
